Kentucky Public Service Commission

Attn: Beth O'Donnell  
211 Sower Boulevard  
PO Box 615  
Frankfort, KY 40602-0615

Dear Mrs. O'Donnell:

I am writing this letter to express the City of Monticello's support of the sell of the Monticello Electric Plant Board to South Kentucky RECC.

The city council voted unanimously to sell the Monticello Electric Plant Board to South Kentucky RECC, as did the board of directors of the Monticello Electric Plant Board.

At this time, all indications are that the vote on November 6<sup>th</sup> will be a "yes" vote and the sell will go through by a large percentage.

As the Mayor of the city of Monticello this, without a doubt, will be a great day for the city of Monticello and for the customers of the Monticello Electric Plant Board as South Kentucky RECC has demonstrated through there many years of service to the county as being excellent providers of electricity and a community caring utility. We ask for your understanding and support of this venture.

Sincerely,

Mayor Kenneth Catron

C      Nguyen Quang
